Making friends across the School

We have had a wonderful day making friends across the year groups in our peer mentoring sessions and during our charity walk.

November has arrived, bringing a strange mix of horrific weather and glorious autumnal sunshine. We welcomed in Chaplain James Fields to celebrate Divali and considered the powerful symbolism of light and hope embodied in this festival.

Our own celebration of light took place on Thursday evening as the St John's Association welcomed nearly 800 guests onto our site for the annual firework show. It was lovely to welcome back many old boys, and local residents for what was a wonderful night.

Elsewhere, our youngest years have been thinking about the Three Little Pigs, our Juniors have been exploring face painting and our Under 9s played their first rugby matches, scoring plenty of tries and enjoying the camaraderie and teamwork. The whole School took part in a charitable walk on Friday, as we looked forward to the Lord Mayor's show in just over a week, and learnt of the important charitable work that is being done through the Company.

Making friends across the School

Our new peer mentoring sessions have been very successful in encouraging supportive interaction between the year groups. This week 3W met 7L, 3S met 7J, 4L met 8M and 4H met 8B. It is wonderful to observe new friendships being established.

Lord Mayor's Mufti Day

We walked and talked as part of our fund-raising activities for the Merchant Taylors' Foundation. We also welcomed Mr Ben Wiseman from the Merchant Taylors' Company who spoke to us online about how the money we raised will help young people in difficult circumstances.

St John's Association Firework Evening

On a damp and dark November evening, the St John's community were out to enjoy a roaring bonfire and the bright lights of our spectacular firework display. Many thanks to the St John's Association for organising a really enjoyable event.

Learning about the sense of smell in Year 1

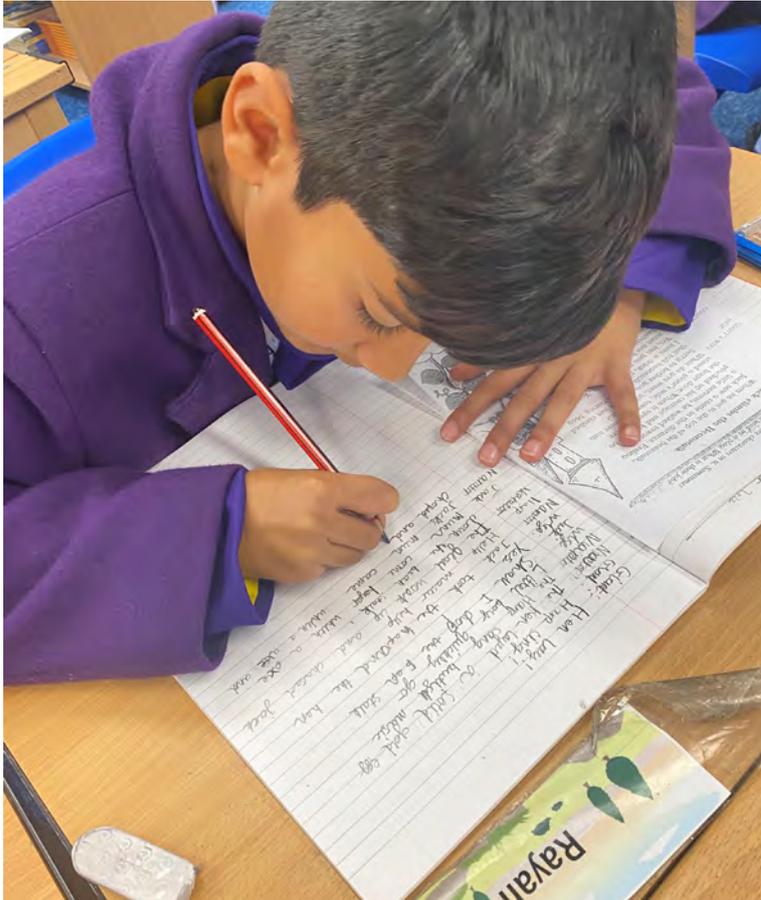

With a 'sniff sniff' here and a 'sniff sniff' there, the boys enjoyed being detectives and tried to identify ten different scents in our smelling experiment.

First play scripts in Year 3

Year 3 have been learning about play scripts. We read and acted out a scene from Jack and the Beanstalk, then had a go at writing the next part ourselves.

Ferocious Celts in Year 4

Year 4 aren't feeling blue this week despite the clocks going back and the dark nights arriving. They have, however, been learning about what the Celts looked like and several victims agreed to have their faces decorated in the style of the Celts. Miss Little's make up skills surpass Mr Haley's, so she was responsible for the face paint and Mr Haley took the photos.

This week our U9s played against Haberdashers'

On a beautiful autumnal afternoon, our Under 9 teams played their first home fixture against Haberdashers'. All the matches were evenly contested. The learning and development was clear to see and lots of tries were scored by all the teams. Well done boys.
