

# Lord Mayor's Show was a festival of pageantry

**The sun shone**, London looked stunning and the parade was colourful and exciting. The St John's boys all played their part as we welcomed our new Merchant Taylors' Lord Mayor, Nick Lyons. Teddy in Year 5 carried a torch at the front of the parade, our brass players played on the huge Merchant Taylors' float and Hugo, also in Year 5, designed the flag which all the boys who came to support were waving. What a day!

From the Headmaster

**I was so proud** of the wonderful support St John's boys, and parents offered to the new Lord Mayor of London at the show on Saturday. Our musicians (who, together with dramatists, are preparing for next week's Arts Evening on Thursday), flag designer, torch bearer and all participants were a credit to the School, and the Merchant Taylors' Company.

We marked Anti-Bullying week with a formal assembly on Monday, although our

ethos and education about bullying extends across the year, both within school and in online conduct. Elsewhere, boys have enjoyed competing on the rugby pitch in fixtures from U8 up to our 1st XIII. The St John's Festival of Rugby was a huge success, with our senior team playing really well.

Learning continues apace throughout the School.

## Lord Mayor's Show cont...

Court Assistants Duncan Egger and former St John's Chair of Governors Martin Robb rode camels.

## Remembering with our local community

**Nishant, Rafi and Kian**, our Head and Deputy Head boys, represented the School at the Cenotaph in Northwood on Remembrance Sunday. Many people from our local community came together to remember those who fought and lost their lives so that we may enjoy freedom today.

## Weighing it up in Year 5

**Year 5** have been exploring weights and measures. They first tried to compare the weight of different items before then using scales to measure the weight of a variety of items around the classroom. The boys were very inventive in their choices of things to weigh, including pencil cases, staplers, spray bottles and even laptops.

## Baby clinic is fun for the Lambs

**The Lambs** are learning about our bodies and babies. The role play area is a baby clinic and proving very popular, lots of doctors in the making!

## Classic Russian design in Year 1

**This half term** the boys in Year 1 have been learning about Russia. This has led to some thought provoking questions and discussions. We have looked at beautiful churches and palaces in Moscow and St Petersburg and talked about the designer Carl Faberge. The Faberge eggs the boys decorated could almost be mistaken for the real thing!

# Year 3 have been learning presentation skills in ICT

Year 3 have been finding out how to use google slides and google docs in ICT. They have learned how to change text as well as inserting pictures and even videos! They practised this for homework then they gave presentations to the class on their favourite river.

## Moving up the food chain in Year 4

Year 4 made food chains of their own, demonstrating a clear understanding of the concept of producer, carnivore, omnivore, and herbivore. They achieved this using their ICT skills to carry out research and literal cut and paste to make their own.

## Our brass players played an important role in the Lord Mayor's Show

**The Lord Mayor's Show** was a very enjoyable occasion for the St John's brass players and it was nice to show our support for the Lord Mayor, who is a member of the Merchant Taylors' Company. We performed a variety of marching band pieces on the Company float, which travelled from Mansion House all the way to the Royal Courts of Justice. The parade featured a huge variety of military and other bands which the crowds responded to enthusiastically. Whilst we were not playing, we had fun waving our flags designed by Hugo in Year 5 and watching Teddy, also in Year 5 carrying the torch behind the float. Everyone enjoyed the sunny weather, as well as the afternoon tea! *Report by Nishant, Head Boy.*

## Eggciting times in the DT&E workshop

Year 4 test their motorised egg-mobiles and add the seating for Humpty (who is a real egg).

Our fabulous motorised shop window displays are ready to show you at Arts Evening!

## Studying a curio in the DT&E workshop

Is that all it does? Dialling 999 on this old phone in an emergency took ages!

# St John's U13 Rugby Festival

We were extremely lucky with the weather on Wednesday afternoon as the rain stopped for the duration of our Festival. We welcomed Thorpe House, St Albans, Davenies and St John's Beaumont U13 teams for an exciting afternoon of very competitive rugby, enjoyed by parents, boys and staff. We won the games against Thorpe House and Davenies and overall, the team played really well with some great individual performances.

## U11, U10 and U9 Barbarians

On Friday 11th November three specially selected players from each year group attended a Barbarians style tournament at Merchant Taylors' School. They were put into mixed teams with other schools and given team kit. During the evening, Mr Kruger, Mr Russell and Mr Smith had the joy of walking around various pitches watching the St John's boys do themselves and the School proud. Everyone played the game in the correct spirit, working together to produce some fantastic rugby.
