

Enjoying imaginative play in the forest

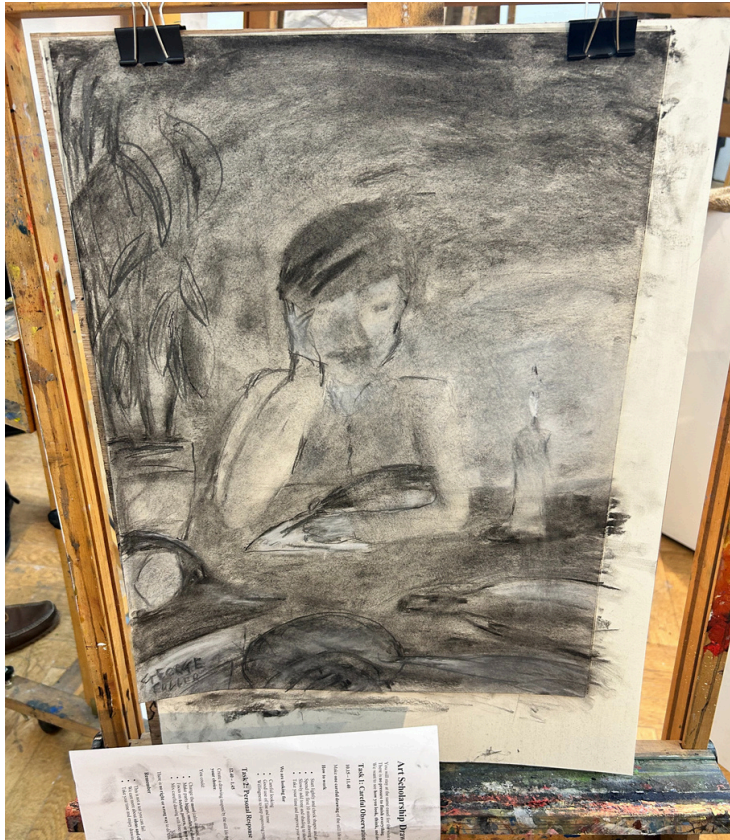

St John's boys continue to enjoy developing their independence exploring our natural environment with their friends, whether at playtime, during outdoor lessons or taking responsibility for their personal organisation and wellies! The children have been enjoying imaginative play, problem solving and den building in our fabulous forest areas. Year 1 particularly enjoyed maths in the Teepee and story time around the campfire this week. St John's recognises the Holocaust in assemblies and in taught lessons, and this week Year 2 pupils celebrated the Jewish Faith with Miss Morgan in their RE lesson. The boys explored Jewish artefacts, discovering their meaning and how they are used in everyday life and celebrations. In sport, we enjoyed a fantastic set of rugby fixtures against MTP with lots of tries scored on all sides; the U13A team had a good victory over York House. Hockey development also progresses well, and all children have enjoyed great fun, training on our very well-maintained pitches. Year 5 have also been practising with excitement, ahead of the Young Voices opportunity at Wembley, next Wednesday. Have a good weekend

From the
Headmaster

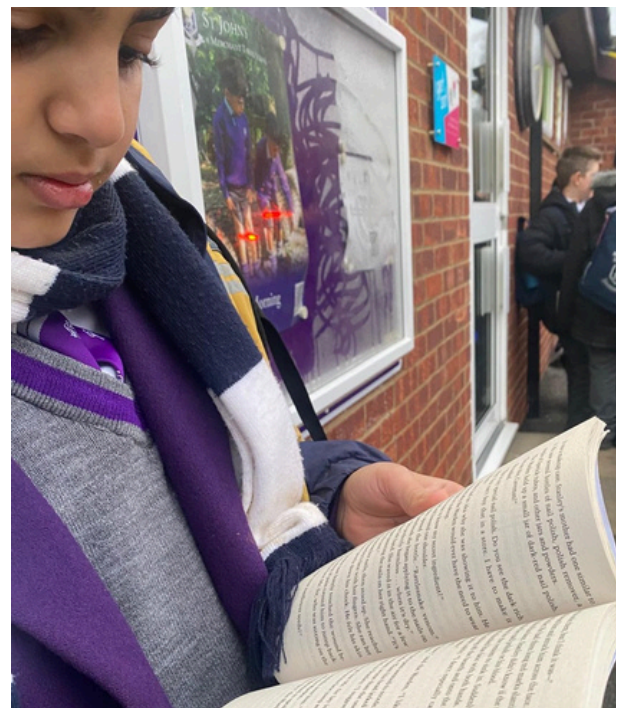

Congratulations to George on completing this charcoal drawing as part of his Art Scholarship examination

Town planning in Clubhouse!

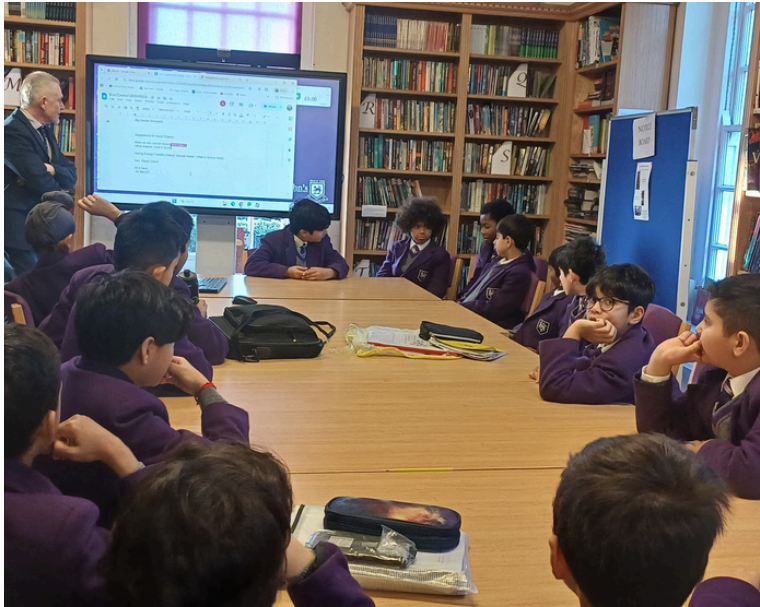

Lambs music - Boo! There you are

Reading before school. Sometimes you just can't put a good book down!

Eco Council

This week we held a whole school Eco Council. We had delegates from every class in the school. We discussed what activities Eco Council will organise in the future including the Plastic Count and Litter Picking. We look forward to holding the next one next one after half term.

The Headmasters of St John's and Merchant Taylors' school, Mr Jenkin and Mr Everson, meet regularly

The RSPB Big Birdwatch last weekend

Year 2 learning about the Jewish faith

Year 2 pupils enjoyed a hands-on learning experience as they explored Jewish artefacts, discovering their meaning and how they are used in everyday life and celebrations. The children asked thoughtful questions and showed great curiosity as they learned about the Jewish faith.

Outdoor Maths and Story Time for Year 1

The Otters and Owls enjoyed investigating numbers down at the teepee followed by Story Time by the campfire.

The Lambs have been birdwatching

The Lambs have been busy learning about various species of British birds in support of the RSPB's School Birdwatch Week. We created our own recycled binoculars using toilet roll tubes, and attracted local birds with our DIY bird feeders made from pipe cleaners and Cheerios. We embarked on an adventure through the forest in search of different birds. While we didn't see many, we could hear their beautiful songs and tried to identify the species. Along the way, we also discovered some large badger setts and discussed the different animals that will soon emerge from hibernation.

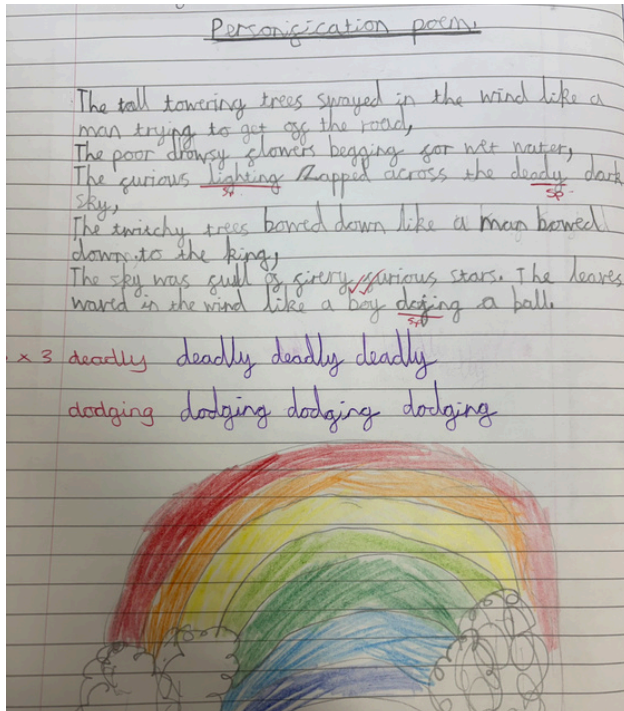

Developing mouse and keyboard skills

The boys in Pre-Prep ICT club have been learning how to search within Google. They have been playing interactive games which develop mouse and keyboard skills.

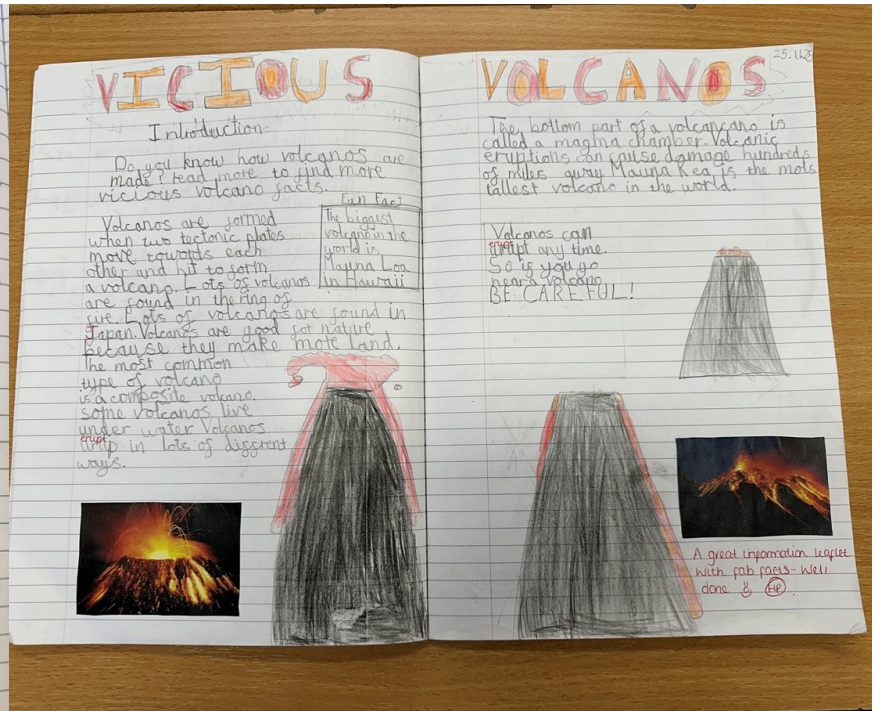

Excellent presentation in Year 3

Kian's imaginative poem

Nihaal's wonderful volcano leaflet

Year 3 have been showing off their newly learnt scratch skills by coding Crazy Crab and what he gets up to underwater. Dylan's Crazy Crab has been very hungry eating all the nearby fish!

Exploring shape and colour creatively

Year 3 have enjoyed creating colourful abstract paintings, exploring shape and colour creatively. Year 5 are ready to celebrate Chinese New Year and have begun learning about the Sakura tree, one of the most iconic symbols of Japan.

Year 3 carpenters at work

February Camp

Hands On! Minds On!

For children aged between 5 and 13 years old.
Come in and enjoy the fun!

STEM themed days make fun for every budding scientist and engineer!
