

ST JOHN'S  
A MERCHANT TAYLORS' SCHOOL

Space to Grow, Confidence to Succeed.  
A Future Shaped by Choice.

# Why choose St John's?

Welcome to St John's, where every child is known, challenged, and inspired to forge their own path.

At St John's we believe in nurturing the potential of every pupil, helping them to grow in confidence, develop a love of learning and become compassionate leaders of tomorrow.

With a focus on academic excellence, personal development and a strong sense of community, we provide the foundation for a lifetime of success.

“My son is really  
thriving here”

Current parent

A photograph of two young boys in school uniforms walking on a path. The boy in the foreground is wearing a purple V-neck sweater over a white shirt and tie, and purple trousers. The boy behind him is wearing a purple blazer over a white shirt and tie, and dark trousers. They are both looking towards the camera. The background is a blurred path with trees and foliage.

# Welcoming girls

From September 2027, St John's will welcome girls as well as boys, beginning in Early Years.

This marks an exciting new chapter in the school's long and proud history. Girls joining St John's will benefit from the same outstanding education, care and opportunities enjoyed by current pupils, within a warm, inclusive and values driven community.

“The atmosphere is warm and friendly, and lessons are engaging and well taught”

# Individualised pathways

We know every child as an individual, nurturing and guiding them along a personalised pathway that supports their aspirations and enables them to grow in confidence, achieve academically and flourish.

“Our guides brimmed with enthusiasm about their school, especially the extra-curricular activities”

# Outstanding site

Our exceptional site and natural surroundings are an integral part of school life, giving children the space to explore, play and learn, nurturing their curiosity, resilience and wellbeing.

“The grounds are superb,  
with a treehouse, forest trails,  
pitches and ponds”

# Academic excellence

Through a strong focus on academic excellence, we give every child the knowledge, confidence and skills to shape their future, while nurturing a lasting love and joy of learning.

“The science we saw was hands-on and genuinely exciting”

The Good Schools Guide

“My son is intellectually stimulated and happy to go to school”

Current parent

# Choice

We provide breadth and choice throughout school life, preparing every child, and their family, with the confidence and independence to make the right choices for their future.

“St John’s offers strong academic focus without the pressure”

Current parent

“The school has a strong connection with Merchant Taylors’ – a link that was strengthened when the school became part of the Merchant Taylors’ Educational Trust in 1984”

At St John's, we provide the space to grow and the confidence to succeed. By integrating our exceptional natural environment with a bespoke academic journey, we nurture the individual character and spark of every child, empowering them to achieve excellence and make ambitious choices for their future.

“With far-reaching views across London and grounds that other preps can only dream of, St John's is a hidden gem. It provides a truly rounded education and is successful on all fronts, caring as much about pupils' wellbeing and happiness as their academic triumphs”
